Programme Specific Outcome B.A. Hons Deptt. of Political Science

Political Science is a dynamic discipline aspiring to impart knowledge on various contemporary issues of politics - local, national and global. Political ideas and ideologies are very important pillars of this discipline. Issues like rights, equality, justice, liberty and their inter-relationship, nationalism, internationalism, secular politics acquire primacy in it. Ideologies like Marxism, liberalism, Gandhism, Fascism, feminism, ecologism, even communalism also occupy important positions in this subject. Students get ample opportunity to study pioneers in this field -both Indian and Western- like Plato, Aristotle, Bodin, Machiavelli, Hobbes, Locke, Rousseau, Laski, Mill, Karl Marx, Kautilya, Rammohan Roy, Bankim, Vivekananda, Ambedkar, Gandhi, Rabindranath Tagore. Public administration and local self government, good governance - are given due importance. Besides, the nature of state and democracy, social movements from different schools are discussed at length.

International institutions and issues find an important position in this course. UNO, Regional organizations like SAARC, ASEAN, NATO -composition and functions, global world order, terrorism, war, peace-keeping process, international institutions like IMF, World Bank, World Trade Organization -their power and functions get prominence in this discipline. Indian foreign policy and her relations with the neighboring countries are taught.

Moreover, for the budding scholars research methodology is a handy topic. They are given exposure on preparing PhD thesis and research methods.
