Subject: Submission of Feedback Analysis Reports 2021-2022 for Action

Dear Sir,

This year the IQAC has collected feedbacks from the students, alumni, parents, employers and faculty members on a) **teaching-learning performance of the faculty members**, b) **efficacy of the syllabus**, c) **academic ambience & discipline**, d) **infrastructural and institutional facilities extended to the students and the employees**. This year we also took **feedback on syllabus**. You are also informed that Hons departments collected **feedback on syllabus** and you will be intimated in due time.

Stakeholders	Issues			
	Teaching-learning	Well-disciplined and student-friendly campus	Overall infrastructural facilities	Quality of the students in the job market
Students	Yes		Yes	
Alumni		Yes		
Faculties			Yes	
Parents		Yes		
Employers				Yes

After data (through the structured questionnaire) processing, reports on the issues were generated.

You are requested to convey the students' opinion on teaching-learning performance to the individual teacher. For other reports, you are to take necessary steps.

This is for your intimation and necessary action.

Thanks and regards

Employers Feedback- 2021-'22

This session, the institution has collected feedback from the employers. Like previous year, this aims at gauging the perception of the employers about our students. From the responses we have received following report is generated.

Observation:

1) Overall quality of employable students

Around 100% expressed satisfaction regarding the overall quality of our students.

2) Overall quality of discipline and punctuality of students

It is also found that 89% of the employers appeared to be satisfied.

3) Knowledge of ethics and social awareness among students

It is our pride that the ethical practice and social awareness among our students are quite praiseworthy. The responses validate our endeavour. Over 89% respondents believe that they do possess strong ethics moral values and social awareness.

4) Competitive approach of students

89% of the respondents believe that our students are competitive in their attitude.

5) Proficiency in English language and computer skill

Students from the rural belts suffer from different types of inabilities lack of fluency in spoken English and computer skill. Most of the students we find are from the socially and economically weaker sections and first generation (1st generation) learners . They cannot afford of having the luxury of computer. Our institution tries hard to make e-literate and proficient in English speaking. 89% of the respondents appear to be satisfied.
