Overall Feedback on the institution: Teachers

2017-2018

Feedback from the faculty members are taken by the IQAC on the overall facilities provided by the institution including grievance redressal. It is found from the feedback that the level of satisfaction is encouraging. Total (05) five questions are asked and twenty-five (25) have taken part in it.

The glimpses of their responses are as follows:

Question	Status of library facility	Status of ICT support facility	Status of working atmosphere	Status of research facility	Administrative promptness to redress any problem
Satisfaction level	80%	79%	85%	64%	83%

Observation:

1) Status of library facility: 80% of the respondent appeared to be satisfied.

2) Status of ICT support facility:

College wants to create ICT facility according to its capacity. Being the UG college and having financial constraint, the institution has made a significant progress in this ICT support facility.

3) Status of working atmosphere:

Working place atmosphere is important for the employees. Authority is conscious about it. Conducive atmosphere prevails in the institution following democratic values.

4) Status of research facility:

In an under-graduate college, research facility is not given so much importance because of lack of scope and opportunity. Yet our institution extends the research facility within its limitations to its faculty members. Institution provides facilities like Online resources, leave to attend seminar, workshop, Orientation and Refresher course, to some cases financial assistance. ISSN journal is regularly published by the institution. These facilities has encouraged the faculty members to publish research articles and enrich them.

5) Administrative promptness to redress any problem

Authority is responsive and sensitive to the problems and demands of the employees. Whenever there is any demand or grievance, the authority takes prompt steps to redress it at the earliest. Satisfaction level on this issues is also increased as per the feedback given by the faculty members.
