## Subject: Submission of Feedback Analysis Reports 2019-2020 for Action

Dear Sir,

This year the IQAC has collected feedbacks from the **students, alumni, parents, employers and faculty members on a) teaching-learning performance of the faculty members, b) clean, green and disciplined campus, c) students' quality in the job market** based upon the resolution of IQAC taken on 20.01.2020.

The Coordinator prepared the questionnaire, shared among the stakeholders and collected them.

The reports based on the feedback by the above-mentioned stakeholders on the issues were generated by the Coordinator and subsequently informed the IQAC members about the preparation of the report.

You are requested to convey the students' opinion on teaching-learning performance to the individual teacher as it is confidential. For other reports, you are to take necessary steps.

This is for your intimation and necessary action.

Thanks and regards

## Overall Feedback Report on the institution: Teachers

2019-2020

The IQAC has taken feedback from the faculty members on the overall facilities provided by the institution including grievance redressal system. It is found from the feedback that the level of satisfaction is encouraging.

Total (05) five questions were asked and thirty-five respondents responded. Maximum score will be 140 (100%) per item.

The glimpses of their responses are as follows:

Question	Status of library facility	Status of ICT support facility	Status of working atmosphere	Status of research facility	Administrative promptness to redress any problem
Satisfaction level	90%	90%	84%	63%	85%

### **Observation:**

#### 1) Status of library facility:

Quite satisfactory & encouraging. Rich library like us in rural college is envy for others.

#### 2) Status of ICT support facility:

Being the UG college and having financial constraint, the institution has made a significant progress in this ICT support facility. The responses prove this. 90% respondent is satisfied.

#### 3) Status of working atmosphere:

Working place is second home to every employee. Authority is conscious about it. Conducive atmosphere is given to the employees as far as possible. 84% seem to be satisfied. More to be done.

#### 4) Status of research facility:

Research facility comprises of online resources, leave to attend seminar, workshop, Orientation and Refresher course, to some cases financial assistance. Broad band internet connection is available. Printing facility is also given.

All the above facilities are extended to the faculty members.

Moreover, a research journal having ISSN is regularly published by the institution.

Authority is seriously considering to create new facilities for the faculty members.

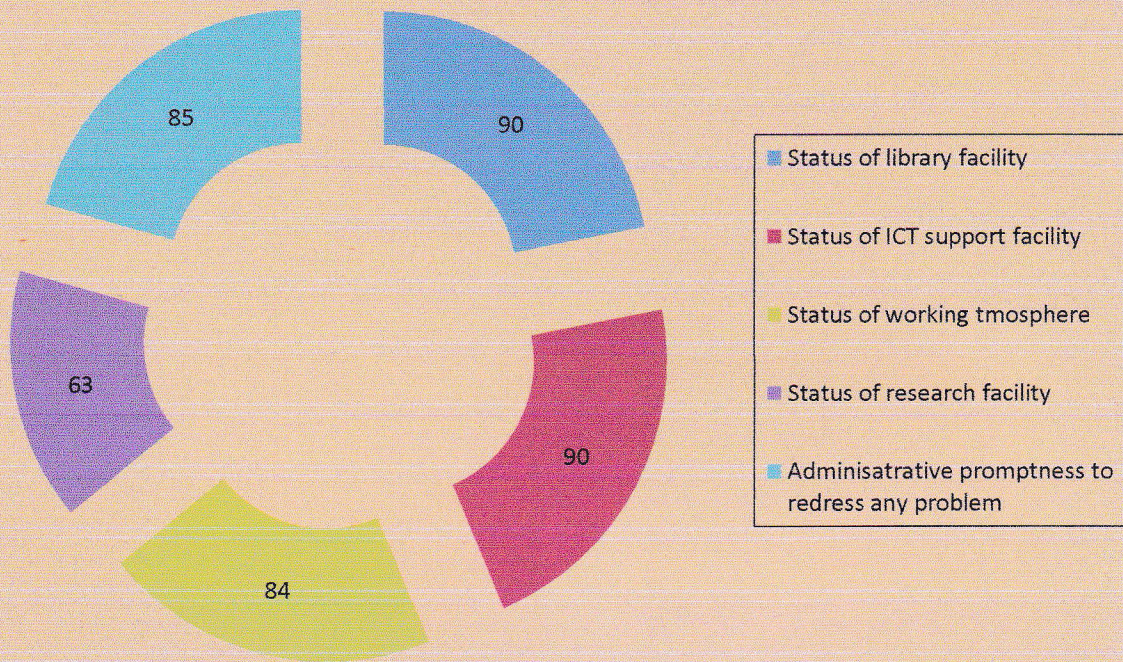

#### 5) Administrative promptness to redress any problem

Authority is responsive and sensitive to the problems and demands of the employees. Whenever there is any demand or grievance, the authority takes prompt steps to redress it at the earliest.
