A Brief Description:

The Department of History, Chandidas Mahavidyalaya successfully organised a one day National Webinar on 18th July, 2020, on **Revisiting History of Science, Technology and Medicine on Colonial India.**

We were opportune to have **Prof. Kamlesh Mohon, Emeritus Professor, Dept. of History, Punjab University** as the key-note speaker. She delivered her talk on "Mission Medicine".

We got **Dr. Subhayu Chottopadhyaya, Associate Professor in History, Visva Bharati, Santiniketan,** delivered on 'History of Radio in Colonial Bengal'.

Dr. Aparajita Dhar, Associate Professor in History, the University of Burdwan, She spoke on 'Gandhi and Science'.

We successfully arrange this webinar on *googlemeet* platform. Students and faculties of the organising department and faculties of the other departments of different institutions are also participated in this webinar enthusiastically. All participants present were very much benefitted by this talk.

Thrust Area: Research Methodology, Problems and Scope

- ❖ History of Science
- ❖ Scientific Development through the Ages
- ❖ History of Medicine and its Development
- ❖ Science and Cultural Development
- ❖ Gandhi and Idea of Science
