Welcome Note

We, the teaching and non-teaching staff of this college, are excited to welcome all the students desiring to get admitted into the various degree programmes of our college. Entire college staffs are prepared to help you achieve your academic and personal goals. Cooperative attitude and peaceful ambience and ragging free campus are our pride. Academic environment in our college is unparalleled.

Now we would like to brief our college before you:-

- This college was named after the medieval poet of Humanity, Chandidas. It was founded in 1972 at the village of Khetujitpara under Nancoor police station in the district of Birbhum with a motto of imparting higher education to the rural youth.
- It grew out of the long-standing desire and struggle of the people of this underdeveloped area for higher education. It was almost impossible for the local students, coming largely from economically and socially backward classes, to attend the college either at *Botpur* or *Kahva*. Realising their plight and aspiration for higher education, some educationists struggled hard to establish this college, defying all odds, mostly financial. The sapling they planted has now branched out in many directions, now blossoming forth with colours and fragrance.

Other sections visible include a 'Notice Board' with a notice dated 16-09-2022 regarding admission for 2022-2023, and a 'Principal Desk' with a welcome message. A 'Tender Notice' is also present at the bottom left.
