

Green Committee Resolution

Academic Year: 2017-2018

Page No: 1

A meeting starts under the supervision of Prof. Asit Kumar Saha at 2:30 PM on 13.11.2017 to discuss the following agenda -

Agenda:

1. To take initiatives for waste management in our college campus.
2. To separate the degradable & non-degradable waste including E-waste, paper waste, Lab waste & biomedical waste.
3. Taken initiatives for water conservation.
4. Rain water storage & cultivation/harvesting. Rain water re-charging.

Resolutions:

- In order to reduce waste at Chandidas Mahavidyalaya premises, recycling method must be improved & organic recycling services must be provided. Additionally, students, faculty & staffs must be properly educated on proper waste management.
- The green committee decided to take initiatives for waste management in our college campus with separate for degradable & non-degradable waste including E-waste, paper waste, Lab waste and the biomedical waste.
- Water scarcity is one of the growing concerns in the present times, the only solution for which is water conservation. It is taken care at different levels of college, from rain water harvesting, tree plantation to recycling water by rain water recharging. So, committee decided to take initiative on that.

Notice of awareness on Waste Mgmt.

It is notified for all the students specially belong to 1st semester that in the college there is adequate arrangement in respect day to day solid waste (both of degradable and non degradable-plastic etc.) in the college premises.

All concerned are highly alerted to be utmost careful to put any type of waste whether by own and by office in the proper dustbin and pocket.

Any type of violation or miss management at any end is not at all desirable.

Hence all are made aware to be most sincere and manage it in proper channel.

Cooperation from every individual is highly solicited.
