About the college:

This college is named after the medieval poet of humanity, *Chandidas*. It was founded in 1972 at the village of Khujutipara under Nanoor police station in the district of Birbhum with the motto of imparting higher education to the rural youth.

- It grew out of the long-standing desire and struggle of the people of this underdeveloped area for higher education. It was almost impossible for the local students, coming largely from economically and socially backward classes, to attend the college either at *Bolpur* or *Katwa*. Realising their plight and aspiration for higher education, some educationists struggled hard to establish this college, defying all odds, mostly financial. The sapling they planted has now branched out in many directions, now blossoming forth with colours and fragrance.
- The college has since its inception steadily evolved in terms of its human and infrastructural resources. It is affiliated to the University of Burdwan. It breathes natural air of human relations among students and the staff beyond the boundary that prides in it. ***The college has been accredited by NAAC in 2011 & 2016.***
- This College facilitates you to take-up your desired courses to cope with the changing academic scenario in different streams- Humanities, Science and Commerce. The wing of NCC, NSS, Games & Sports and Cultural activities oversees and coordinates your entire Co-curricular and extra-curricular activities. Career counselling and Placement cell is also ready to provide you added advantage alongside your academic pursuit. We also have separate common rooms for boys and girls for their leisure period. Very soon multi- gym facilities will be a reality for you. - It's our firm belief that each of you will be able to become a confident and successful individual if you utilize the campus facilities properly.

Prelude to the course

According to the Office of Human Rights Commission, United Nations Organization human rights are rights we have simply because we exist as human beings - they are not granted by any state. These universal rights are **inherent** to us all, regardless of nationality, sex, national or ethnic origin, color, religion, language, or any other status. They range from the most fundamental - the right to life - to those that make life worth living, such as the rights to food, education, work, health, and liberty.

Human rights are regarded as the tools or instruments to protect the powerless from the discrimination and deprivation. It is a powerful weapon to fight against injustice, discrimination and to gain or regain the rights and liberty.

Human rights education is necessary for the greater interest of the society especially for the weaker sections. It is that weapon which helps create a conducive atmosphere for development and democracy.

India is a classic case of diversities; social, religious, economic, gender, race, cultural, regional, language, caste etc. She transforms herself as the democratic secular state and pledge to ensure equity and rights irrespective of all the differences.

But she enters into the diamond jubilee celebration of her independence, yet illiteracy, poverty, discrimination against different sections of the people still haunt India. Despite having human rights protection laws and statutory bodies, the malaises of social evils persist till today.

In this context, Human rights education is a very important step towards strengthening a right-conscious democratic society.

The department of Political Science under the direction of IQAC prepares a course module on Human Rights.
