IBAC planned before hand to recharge and re-energize our teaching, non-teaching and students with the dose of values. In this context Swami Shrastrajnanand Maharaj, Principal, Ramkrishna Vidya Mandir, Belur was requested to deliver a lecture on value education.

The programme was chaired by Dr. SK. Ataur Rahman, Principal of our college. Initially Maharaj was received by Dr. Rahman with uttosis. An inaugural song was sung by Prof. Kuntal Chakrabarty. After that, lighting of lamp with sloka from Upanishad was done to make the lecture open.

Dr. Rahman formally welcomed Swamiji Maharaj. He expressed his gratitude to him for coming over here despite his busy schedule ~~at~~ covering nearly 300 kms. Dr. Rahman welcomed others in this programme.

Swamiji Maharaj in a lucid and intelligible words dealt with the values - personal & institutional. More than hour long lecture he taught us the traditional Indian values of cooperation, coordination, selflessness and working hard attitude. In his lecture we find a combination of Indian & western values. Responsibility & togetherness and ownership would eventually yield result. Recognition would come if sincerity and dedication are given priority.

Samema Akhtari, 3rd Pol. Sc (H) & Mangilal Taparia asked about institutional decision making and personal honesty with ego. Maharaj cleared their conception.

A Manpatoa was handed over him
as a token gesture.

Dr. Sathas Singha Roy, Coordinator, IBA
formally extended vote of thanks. He thanked
Maharaj for beautiful lecture. Thanked
others to listen actively.

Meeting ended with a song from
Swami Vivekananda's choice.
