Clarification in respect of Geo tag photos in support of Capacity development and Skill enhancement initiatives

Pertaining to the SOP and subsequent query raised in the process of DVV to submit Geo tag photos of capacity development and skill enhancement initiatives taken by the institution it is clarified that **before the year 2021-22** there was no where asked for Geo tag photos in favour of any activity. **Only in the year 2021-22 it has been asked.** So before the year 2021-22 all photos have been certified by the Head of the Institute (HOI) with mentioning the name of the activity, date and place etc. in caption. But from the year 2021-22 all photos have been taken in geo tag and accordingly submitted here with.

So this bonafide clarifications in the absence of Geo tag photos before 2021-22 may please be taken into consideration and oblige.
